

ON THE TRAIL OF HUMOR

ON THE TRAIL OF HUMOR

This is a contest organized by the General Foundation of the University of Alcalá for the 16th International Exhibition of Graphic Humor. If you are a drawing enthusiast and, above all, a humor enthusiast, you like to go on the trail and you are over 14, this is your chance to show all you know about graphic humor. You'll become an expert! Remember that if you are under 18 you need to come with your parents or tutors to inscribe and get the prize.

The contest consists of 4 blocks devoted to different aspects: the first one is related to the activities that will take place to inaugurate the Exhibition, so you will need to pay attention to the program from October 18th to October 25th in order to get all details. In the second block you will need to investigate about the history of the famous "Quevedos" Latin American Award, the most prestigious award in the graphic humor field. In the third one, you will find questions and tests linked to the current edition of the Exhibition, and to the former editions. And in the fourth block, you will need to show your knowledge about graphic humor, its history, authors, techniques, media in which works are published,...

The participation forms for the first block are available in our website (<http://humor.fgua.es/XVI muestra>), in the offices of the Graphic Humor Department (c/Imagen 1-3) and in the two exhibition halls: San José de Caracciolo (c/Trinidad 5) and La Fábrica del Humor (c/Nueva 4). The participation forms for the second block will be delivered when the participants submit the form for the first block in the office of the Graphic Humor Department, and will be the same for the third and fourth blocks. You should pay attention, as you can get information for filling those forms in every event of the Exhibition. You can also visit the two exhibition halls to get information for answering the questions. There you can also check numbers of the "Quevedos" magazines, and also catalogues from former editions.

The contest will take place during the Exhibition, so the deadline to submit all the forms filled is November 15th at 9:00pm. You can submit those forms in the exhibition halls. The first person who submits all forms completed correctly will get a 500€ prize. There will also be other prizes for those persons who fill all the forms correctly.

Workers of the General Foundation of the University of Alcalá, and their direct relatives, as well as professionals of graphic humor and their relatives are not allowed to participate in this contest.
